DISCLAIMER

The provisions of this handbook are not to be considered as irrevocable contractual commitments between the school and the student. Rather, the provisions reflect the current status of the rules, practices and procedures as currently practiced and are subject to change. Administration has the right to use their discretion in the decision making process.

STUDENT RIGHTS AND RESPONSIBILITIES

The Board recognizes its obligation to provide the best intellectual, emotional and physical environment in the school so as to foster the maximum growth of each pupil. In turn, students shall be expected to accept their responsibilities in the educational process by demonstrating behavior and a social conscience consistent with the standards of good citizenship in a democratic society. All students are expected to abide by all laws of our local, state and federal governments. Any student found in violation of any law and which is not listed in this school's rights and responsibilities shall be turned over to the proper authorities.

PARENT/STUDENT/SCHOOL COMPACT

The new section of Title I regulations requires that a voluntary agreement between the home and school be developed. This agreement will outline how parents, staff and students will share responsibility for improving student achievement. The law requires this compact between the school and parents be signed and turned in when student enters Centralia High School. It will be kept on file until the student graduates.

SAFE SCHOOL ZONE

Centralia High School has been identified as a Safe School Zone. Safe School Zone laws increase, in some cases double, the penalties for drug offenses committed on or within 1,000 feet (roughly 2 blocks) of school property, as well as on school buses. For example:

- Any student 15 years or older can be tried as an adult for dealing a controlled substance (crack, cocaine, LSD, etc.) in or near a school and can receive a prison sentence of up to 30 years.
- Dealing marijuana in a Safe School Zone carries a prison sentence of up to 15 years.
- The school can request that law enforcement officials search for illegal drugs on school grounds, including lockers, using specially trained drug-sniffing dogs.
- Safe School Zone laws also increase the penalties for weapon violations committed on school property.
- A minor age 15 or older can be tried as an adult for carrying or possessing a weapon on school property.
- It is a felony to bring weapons including knives, mace, blackjacks, pistols, revolvers, and other firearms onto school property.

SECTION 1 - ATTENDANCE

Attendance and academic performance are closely related. All students are expected to attend school regularly. Our attendance policy is designed to develop students' punctuality, self-discipline, and responsibility. School is the primary occupation of students, and as in any occupation, attendance is expected. Absences will not be taken lightly.

IMPORTANT: Absences are now noted on transcripts. Transcripts are sent to employers and colleges. Employers and colleges note excessive absences negatively as do committees that award scholarships. Absences do affect your future.

ATTENDANCE POLICY:

It is the responsibility of the parents to notify the attendance office each day that the student is absent. The attendance office will be open at 7:30 a.m. and the telephone number is 532-1836.

Messages may be left 24 hours a day, 7 days a week. Absences must be cleared upon the students return to school or the absence will be unexcused and disciplinary action will be taken. The final determination of an excused absence is decided by the administration and not the parent.

All absences will fall into one of the following categories:

1. **Excused Absences** - Absences resulting from illness, death in the family, doctor/dentist appointment, family emergencies, religious holidays, or court appearance where the student's presence is required as set forth in the Illinois School Code. The explanation for these types of absences is the responsibility of the parent/guardian.
2. **Unexcused Absences** - Absences including truancy, suspension, or other unjustifiable absences as determined by the administration. Examples are oversleeping, working, missing the bus, car problems, no transportation and babysitting. Unexcused absences are subject to disciplinary action. Students with excessive absences will be reported to the proper authority.
 - Students will be marked **"unexcused"** if not in attendance on school days during periods of bad weather when school is in session. If all buses are able to complete their bus routes, students will be expected to be at school. School cancellations will be determined by the superintendent.
 - All absences not verified by phone, note, or documentation within 24 hours will be subject to discipline in accordance with the Unexcused Absence Discipline Policy.

ATTENDANCE POLICY AND ACADEMICS:

1. On the 6th unexcused absence per class per semester, students will become eligible to receive NO CREDIT for the remainder of the semester. A student's grades reflect academic achievement, class participation, and presence in class. Students that are unexcused have made a conscience choice not to be present and not to participate.
2. Suspension days will NOT count towards the 6 unexcused per class.

The Attendance Policy will not change or have any effect on the discipline policy for unexcused absences.

EXCESSIVE ABSENCES:

Students will be permitted a maximum of six (6) days absence (excused or unexcused) per class, per semester without an acceptable form of documentation (dr. note, court note, funeral note, etc.). From that point forward, a student's absence will only be excused if an acceptable form of documentation is turned in to the Attendance Office on the day of the student's return to school. Failure to do so will result in the absence(s) being considered unexcused and consequences for unexcused absences will apply.

TRUANCY AND THE REGULAR ATTENDANCE PROGRAM:

A student is considered truant anytime he/she is absent all or part of a day without the permission of the student's parents and of the school. Students who leave without approval will be considered as truant. Any unexcused absence from an assigned class or stipulated location shall be considered an act of truancy, unless otherwise specified.

After 9 unexcused absences (5% of the last 180 days of school), Centralia High School is obligated to report the student to the Regional Office of Education as chronically truant. All documentation and attendance information from CHS will be shared with the ROE and utilized should the student and family proceed to diversion or court. Students considered to be Chronic Truants will be required to provide documentation for any absence that they may have until no longer considered a Chronic Truant by the

Regional Office of Education. Failure to provide documentation for any absence will be considered unexcused and will receive disciplinary consequence for such. A parent or guardian who knowingly and willfully permits a child to be truant may be convicted of a Class C misdemeanor, which carries a maximum penalty of thirty days in jail and/or a fine of up to \$1500.00

TARDINESS:

It is of the utmost importance to the work of each class that ALL students are on time. Each teacher will keep a record of all student tardies. As a general rule, if a student arrives later than 15 minutes to class, they should be considered absent. After the third tardy to a class in a semester, the teacher shall contact home informing the parent/guardian of their student's excessive tardies. On the fourth tardy and every tardy thereafter during the semester, the student will be referred to the Attendance Office for disciplinary consequences.

CONSEQUENCES FOR DAY TRUANCY (FOUR OR MORE CLASS PERIODS):

The Unexcused Full Day Absence Policy will run on a semester-by-semester basis.

1st Offense - 1 day ISS for each unexcused day of absence

2nd Offense - 2 days ISS for each unexcused day of absence

3rd Offense - 3 days ISS for each unexcused day of absence

All further violations will be handled on an individual basis.

CONSEQUENCES FOR HOURLY TRUANCY (THREE OR LESS CLASS PERIODS):

The Unexcused Partial Day Absence Policy will run on a semester-by-semester basis.

1st Offense - 1 ASD per hour missed

2nd Offense - 2 ASD per hour missed

3rd Offense - 1 day ISS per hour missed

4th Offense - 2 days ISS per hour missed

5th Offense - 3 days ISS per hour missed

All further violations will be handled on an individual basis.

Note—Please see the section on "Make-up Work" in the handbook for time constraints.

STUDENTS CANNOT LEAVE THE SCHOOL CAMPUS WITHOUT PERMISSION. STUDENTS LEAVING CAMPUS FOR ANY REASON MUST OBTAIN PERMISSION/PASSES BEFORE THE START OF THE SCHOOL DAY. LEAVING SCHOOL WITHOUT PERMISSION WILL RESULT IN DISCIPLINARY ACTION.

ARRIVAL AND DEPARTURE TIME:

Students may enter the building at 7:40 a.m. The school day ends at 2:50 p.m. and students must leave the building by 3:00 p.m. unless students are under teacher or a school sponsored supervision.

STUDENT CHECK-IN/CHECKOUT:

If a student needs to check out during the school day for an appointment, it is the responsibility of the parent to notify the Attendance Office prior to the checkout time. Parents may call the Attendance Office at 532-1836 or a note may be sent with the student. It is best to call the Attendance Office as early as possible in order for the student to pick up his/her campus pass on time. Parents are not required to sign a student out as long as a phone call or note has been sent. The Attendance Office has voice mail 24/7, so it is possible to call at any time. **It is the student's responsibility to obtain a check out pass from the Attendance Office prior to the checkout time.** Passes may be picked up

before school, between classes (with permission from the teacher) or at lunch. Check out passes will not be sent to the student. At the time of checkout, the student is required to check out through the Attendance Office before leaving campus. If the student is returning to school on the same day, the student must check back in through the Attendance Office before going to class.

COLLEGE DAYS:

Students are allowed two college days cumulative during their junior or senior year. These are not counted as absences. **All college days must be authorized through the attendance office. A maximum of five students will be allowed college days on any one day unless approved by the administration.**

ADMISSION:

A student may enter Centralia High School upon presentation of a certificate of graduation from an eighth grade school or upon presentation of a transcript of credits, an acceptable Illinois Student Transfer Form (Illinois transfers only), a copy of the student's birth certificate, proof of a current physical examination, an up-to-date immunization form, and 2 forms of proof of residency. A student must be living with a legal guardian in the CHS district to be granted admission.

CHANGE OF ADDRESS:

Changes in student addresses or phone numbers **must** be reported to the guidance office immediately.

REGISTRATION PROCEDURES:

Student class schedules are prepared during the spring and fall for the next school year. Prior to the opening of fall semester a registration period is held. A pre-school letter explaining the details of registration will be mailed to each home. Fees are to be paid at the time of registration unless special arrangements are made in the Main Office. The Parent//Student/School Compact must also be returned and signed at the time of registration. The class schedule will give the student the following information: courses to be taken, the period each class is to meet, the location of each class, lunch hour, and locker assignment. Each student should familiarize him/herself with this information and arrange to be at the proper place at the proper time.

RESTRICTIONS ON RE-ENROLLING:

Re-enrollment shall be denied to individuals over the age of 17 years who have dropped out of school and who could not, because of lack of credits, attend classes during the normal school year and graduate before his/her 21st birthday. A person denied re-enrollment will be provided information about alternative educational programs, including adult education programs that lead to graduation or a G.E.D. certification.

TRANSFER STUDENTS AND STUDENTS RE-ENROLLING:

In accordance with our Attendance policy:

- A student not enrolled in school at a previous site must enroll at Centralia High School within the first six (6) days of a new semester in order to be eligible for credit.
- A student transferring to Centralia High School from another public or private high school must officially initiate enrollment at CHS within six (6) school days of their last attendance date at their previous school to be eligible for credit.
- Transfer students must be enrolled at Centralia High School for a minimum of one semester directly prior to graduation.

The Administration has the final say as to a student's eligibility for credit or graduation.

WITHDRAWAL OR TRANSFER FROM SCHOOL:

The Guidance Department and Attendance Office should be informed as soon as possible of plans to withdraw from school or to transfer to another school. Proper clearance is necessary before records will be released.

0-59.4	F	0.00	0.00

SEMESTER EXAMS:

Semester exams will be held the last three days of each semester unless otherwise designated by the administration. Failure to take an exam due to an unexcused absence will result in receiving an "F" for the class for the semester. Any combination of two "F's" in one class during the semester will result in an "F" for the semester. (Example: "A" for the 1st Quarter, "F" for the 2nd Quarter, and an "F" for the Semester Exam is automatically an "F" for the Final 1st Semester Grade.)

EXAM WAIVER POLICY

1. All students will be required to take First Semester Exams regardless of grades or attendance unless they are a senior and qualify under the PSAE Semester Exam Incentive Waiver.
2. A student will **NOT** have to take Second Semester Exams if he/she:
 - a. has 3 days or less of absences for the entire school year
 - b. has no more than 1 unexcused absences for the entire school year
 - c. has no days of out-of- school suspension for the entire school year
 - d. has no more than 2 days of ISS for the entire year

(The above requirements are on a per hour basis.)

- e. has no more than 4 After-School Detentions for the entire year
3. Days missed due to school related events (athletic events, field trips, band concerts, etc.) will not be counted as absences.
4. College days will not be counted as absences if proper request and documentation protocol is followed.
5. Personal days earned through PSAE incentives will not count as absences if proper request protocol is followed.
6. Doctor's notes, court dates, illness, funerals, hospitalization, and other absences, even though they may be excused will be counted against the 3 days of absences.
7. If a student is exempt from a semester exam and chooses to still take the exam, the grade on the exam will be used only if it betters the semester grade.
8. If a student is exempt from a semester exam, the student's semester grade will be calculated by averaging the quarter grades together using the grading scale provided in the handbook for a final semester grade.
9. Any student transferring into CHS after the first day of student attendance will not qualify for any exam exemptions and must take all semester exams.
10. Students who fail either quarter of a given class must take that class's final exam regardless of exemption status.
11. The administration has the final say regarding semester exam exemption for anything not covered in this policy.

STATE ASSESSMENT INCENTIVES – To be determined upon state mandated testing.

HONOR ROLL:

Grades for each quarter will be averaged on a point basis. Students with an average of 3.895 or higher will be designated as receiving high honors. Students with an average of at least 3.325, but less than 3.895, will be designated as receiving honors, providing no grade is less than "C".

DEPARTMENTAL HONORS:

Students receiving seven semesters of "A" in any discipline, and demonstrating good character, will be eligible to receive departmental honors at the annual Rotary Honors Night.

ATTENDANCE AWARDS:

Awards for perfect attendance will be given each year. Perfect attendance is defined as being present every hour of every attendance day of the school year. Students with four years of perfect attendance will be recognized at Commencement Exercises. Please note: An excused absence does not mean the absence is not counted against perfect attendance. You are recognized as absent.

CHEATING/PLAGIARISM POLICY:

Students are expected to do their own work and cite sources where appropriate. At no time is copying, cheating, plagiarizing, or sharing of assignments appropriate. A student's integrity should always supersede the quest for points. Students are responsible for their own learning. Cheating/plagiarism/copying are unacceptable actions and violators will be given disciplinary consequences.

CREDIT RECOVERY:

CHS offers on-line credit recovery classes for students needing additional credit towards graduation. Students applying for on-line courses will be responsible for his/her own fees for each course. Students will be given priority based on year in school, credits lacking towards graduation requirements,

and availability. Information and registration for on-line credit recovery courses can be obtained through your guidance counselor.

Students are allowed a maximum of 2 correspondence course credits (American School of Correspondence).

Students will not be allowed to use summer school credit, correspondence courses, or college course work to graduate early.

Students may use a maximum of 1 summer school credit towards Academic Watch List, Driver's Education, or athletic eligibility.

GRADE CALCULATION:

Specific courses, known as honor courses, will rank at 1.0 (with a minimum grade of a "D") higher than regular classes. Counselors have a list of both honors and basic ranking classes and will be able to advise students accordingly. The quarter grade will count for $\frac{2}{5}$ of the semester grade and the final exam will count for $\frac{1}{5}$ of the semester grade. To calculate the semester grade, the formula is $\frac{2}{5} + \frac{2}{5} + \frac{1}{5} = \text{semester grade}$. Graduating seniors exempt from second semester finals will not have the $\frac{1}{5}$ figured into the final grade unless they decide to take the semester final to improve their semester grade. (see EXAM WAIVER POLICY)

HOMEBOUND INSTRUCTION:

Students who are unable to attend school, due to medical reasons, for a period of more than two weeks are eligible for homebound instruction arranged through the Attendance Office. The attending physician must provide certification on the proper form before homebound instruction will begin.

PROGRESS REPORTS:

Progress reports will be sent to each student at mid-term of each grading period. These reports will contain the student's grade to date and any relevant comments.

REPORT CARDS:

Report cards will be issued first and third quarters and first and second semesters.

SCHEDULE CHANGES:

Schedule changes are strongly discouraged. However, when schedule changes are considered, no schedule changes will be made after the fifth day of a semester. PESTICIDES MANAGEMENT POLICY:

CHS has an Integrated Pest Management Policy which incorporates building maintenance, sanitation, physical barriers and, as a last resort, the safest and most effective means of pesticide. This policy complies with the law passed in 1999 requiring that public schools notify parents at least 48 hours prior to the application of pesticides on school property. Excluded from this notification requirement are disinfectants, sanitizers, and insecticide and rodenticide baits. Although we have no intention of spraying or fogging with pesticides during the school day when students are in attendance, we are creating a voluntary registration. Contact the school office if you are asking to be notified two days before an

airborne pesticide application. In the event of an extreme emergency where pesticides must be used immediately, we will notify you as soon as possible.

Students causing a disruption, a distraction during the Pledge or Anthem will be dealt with according to the discipline policy.

RANDOM DRUG TESTING POLICY

The CHS drug testing program is intended to be a part of the overall physical and mental educational and conditioning programs of CHS. Its purpose is not disciplinary in nature, but rather is intended as a medical diagnostic aid in disclosing possible drug related problems and as an extension of our educational drug programs. Drug usage is obviously inconsistent with participation in interscholastic activities and the program includes appropriate procedures for dealing with such problems.

Student participation in extracurricular/school sponsored activities is considered a privilege and not a right. This program will be applied to all students interested in participating in interscholastic sports and/or extracurricular clubs and organizations. Any student wanting to drive to school and park on the school's parking lot will also be included in the program. Students included in any of these groups will have their names added to the drug testing pool and will be tested using the guidelines and procedures stated in the random drug testing policy.

The purpose of the program is to prevent drug use, to educate eligible students as to the serious physical, mental, and emotional harm caused by drug abuse, to alert eligible students with possible drug problems to the potential harm, to prevent injury, illness, and harm as a result of drug abuse, and to maintain CHS as an environment free of drug use. The program is not primarily intended to be punitive in nature.

All students participating in extracurricular athletics, clubs, and organizations or requesting a student parking permit must have a signed consent form on file with Centralia High School before the student will be allowed to participate in the activities outlined in the random drug testing policy.

RECIPROCAL REPORTING WITH LAW ENFORCEMENT:

Illinois School Code requires a reciprocal reporting system between law enforcement agencies and schools. Therefore, it is the policy of Centralia High School to share information regarding illegal or controlled substances, weapons, gang activity, serious crime or felony, or any information that might be beneficial with local law enforcement agencies. Information will be shared only to designated representatives of those agencies whose knowledge of such information is necessary to carry out the purposes of this policy.

SCHOOL DAY:

The normal school day consists of seven class periods plus lunch. Senior and junior students may elect to take one study hall period per year. Seniors may be excused from classes for purposes of work if they have earned sufficient credit and with the approval of the principal.

SECURITY CAMERAS:

A video and/or audio monitoring system may be in use on school busses and a video monitoring system

may be in use in public areas of the school building. These systems have been put in place to protect students, staff, visitors and school property. If a discipline problem is captured on audiotape or videotape, these recordings may be used as the basis for imposing student discipline. If criminal actions are recorded, a copy of the tape may be provided to law enforcement personnel.

SEARCH AND SEIZURE

In order to maintain order, safety, and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The building principal may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the school or district's student rules and policies. The search will be conducted in a manner that is reasonably related to its objective of the search and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the school or district's policies or rules, evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, evidence may be transferred to law enforcement authorities.

SOCIAL MEDIA

Students who use social media (Facebook, Twitter, Instagram, etc.) to post derogatory or threatening material in regards to Centralia High School, staff members, or students can be subject to disciplinary consequences and possible arrest. This applies to any posts made regardless of time, date, or location.

It is prohibited for an outside sorority/fraternity/secret society to promulgate itself by utilizing any school day or any special school function (dances, athletic events, etc.) for membership drives, initiation rites, advertising their special events or fund raising promotions.

SPECIAL EDUCATION SERVICES:

Any referral for an evaluation to determine eligibility for special education services must be made in writing by the student themselves, their parents or school personnel. Written referrals should be given to the administration or the student's counselor. With parental consent the evaluation will be carried out by school personnel and staff from Kaskaskia Special Education District. If a student is found to be in

need of special education services, an individualized education plan (IEP) will be developed by the staff and the student's parents/guardian.

STUDENT FEES AND TEXTBOOK RENTAL:

Centralia High School operates a textbook rental plan. This means that each student is provided with the basic textbooks, plus most of the consumable items necessary for which a fee is charged. The amount of this fee is determined prior to the opening of school each fall and is based on the cost of the text materials to the school. The student is held responsible for the care of books and will be charged for lost books and any undue depreciation. The fee includes textbook rental and a lock for the hallway locker. Students participating in the free lunch program may be eligible to have all book fees waived. School-issued Physical Education uniforms are required and may be purchased in the Main Office or from the student's physical education teacher at a cost of \$16.00. Students will be issued a new ID card at the start of each school year. However, replacement cost for a lost or damaged ID card is \$10.00 and may be purchased in the Main Office. Pupils who drop from school will be given no refunds.

STUDENT PARKING:

All vehicles parked on CHS property during the regular school day must have an appropriate CHS parking permit posted in the vehicle. Students failing to follow rules and regulations as outlined in the CHS Parking and Vehicle Regulations pamphlet will be subject to violation stickers placed on windows, revocation of their parking permit, the towing of their vehicle or other disciplinary action. Students are only allowed to park in the North (back) parking lot in spaces between two white stripes. Students should be aware also that the school reserves the right to reasonable search of any vehicle entering or parking on school grounds.

STUDENT RECORDS:

Centralia High School adheres to guidelines relating to confidentiality of student information provided by Public Law 93.380. Specifically, the guidelines state that schools must seek prior written consent of the parent to release their child's records. Centralia High School District #200 may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the District to include this type of information from your student's education records in certain school publications. Examples include:

- A playbill, showing student's role in a drama production;
- The annual yearbook;
- Honor Roll or other recognition lists
- Graduation programs;

If parents wish to review their child's records, they may do so by calling the Guidance Office and setting up an appointment with a counselor. The Principal is the official custodian of the student records.

SECTION 4 - DISCIPLINARY MATTERS

DEFINITIONS OF ACTION TAKEN FOR MISCONDUCT:

1. **Immediate Action:** The initial verbal or written reprimand, counseling, detention, restricted privileges, or other reasonable corrective action taken by school personnel.
2. **Mediation:** A process of intervention used to resolve conflicts between individuals. Voluntary participation may result in reduction of disciplinary actions.
3. **Restricted Privileges:** The denial of any privilege normally afforded to students.
4. **Student Searches:** If there is reason to suspect that a student may have drugs, weapons, tobacco, electronic cigarettes or other evidence on or about his/her person, he/she shall be directed by an administrator to empty his/her pockets, the contents of any bag or purse, and the like. If necessary, the student may be physically restrained to conduct the search, and the police may be called to assist in the search. It shall be deemed an independent act of gross insubordination or misconduct for a student to fail to submit to a search when reasonable suspicion exists that the student may have drugs, weapons, tobacco, electronic cigarettes or other evidence on or about his/her person, locker, or automobile.
5. **After-School Detention (ASD):** Students will be assigned to serve detention after school for one and a half hours in a classroom set by the administration. ASD will be held two days a week.
6. **Saturday Detention (SD):** Student will be assigned to attend detention on Saturday mornings from 9:00 a.m.-12:00 noon.
7. **In-School Supervision (ISS):** Student will be removed from regular classes and assigned to the ISS for a designated number of days. Students may receive 100% of their earned grade for work completed and turned in to the ISS supervisor on the day(s) they are assigned to In-school Supervision. Failure to complete assigned work while in ISS may result in receiving a "0" for the day's assignment. Students will be required to have an assignment sheet completely filled out by their

teachers or be subject to disciplinary consequences.

8. **Out of School Suspension (OSS):** The term “suspension” means any disciplinary action whereby a student is separated from classes/school for a period of ten (10) days or less. In all suspensions of up to 10 days, the student shall be told the charges against him/her. An explanation of evidence the authorities have and an opportunity to present his/her version will be afforded the student. This information should precede the student’s removal from school. If prior notice is not feasible, as when the student’s presence endangers persons or property, or threatens disruption of the academic process thus justifying immediate removal from school, the necessary notice and hearing should follow as soon as practicable. The principal shall be notified of all suspensions within 48 hours. Parents or guardians shall be notified of every suspension within 48 hours and shall be informed of the reasons for the suspension and of their right to review of same. This information shall be sent to the student and his parent/guardian by mail. The school administration or parents/guardians may request and receive a formal hearing. The Hearing Officer shall be the principal or, in the principal’s absence, the superintendent. If a formal hearing is requested by the school administration or parents/guardians, a date, time, and place of review shall be established. A procedure statement will be given to the parents. Any student suspended from school shall have the right to make up all major assignments, tests and previously announced quizzes on the day of their return. It is the responsibility of the student and his/her parents to contact teachers via email or phone to make arrangements for homework to be collected and picked up by the parent. Such assignments are due upon the day of return from suspension.
9. **Expulsion:** The term “expulsion” means disciplinary action taken by the Board of Education whereby a student is separated from school attendance for a period in excess of ten (10) days. Expulsion shall take place only after the parents have been requested to appear at a meeting of the Board, or with a hearing officer appointed by it, to discuss their child’s behavior. The request shall be made by registered mail and shall state the time, place and purpose of the meeting. At the meeting, the Board shall state the reasons for dismissal and the date on which the expulsion is to become effective and conduct an Expulsion Review Hearing. The school administration shall set time and location for the review. In no case shall this hearing be held later than ten days following the initial suspension. At the hearing, the school administration shall proceed first and the student may then respond. All witnesses shall be subject to inquiry by both parties and either party may call no more than five witnesses. The review proceeding must be held in executive session at the request of either party. The rules of evidence shall not apply to review proceedings. The decision of the Board shall be final. All students under 16 years of age shall be referred to special agencies for assistance in cases where expulsions might occur. In cases of extreme insubordination or misconduct, expulsion procedures shall be followed. **If a student is deemed a “chronic” or “continual” discipline problem, the administration may suspend and recommend the student for expulsion.**

The administration at Centralia High School reserves the right to use its discretion in regards to student discipline. Decision will be made with the safety of all students and the protection of the learning environment in mind.

The penalties for infractions may be lesser or greater depending on the severity of the misconduct. If a specific penalty is not listed, it will be up to the discretion of the administration. When breaches of school disciplinary rules and regulations occur, it is the responsibility of involved teachers and administrators to work with the student, his or her parents and other support personnel to help the student correct his or her behavior. All disciplinary actions shall be directed toward protecting the welfare of school community, as well as helping the student develop self-discipline. ATHLETIC GRADING POLICY

In order to be eligible for CHS athletics, a student must pass 5 academic hours the previous semester. All other IHSA policies will still be in effect for student athletes.

CHS INTERSCHOLASTIC ATHLETICS

We have a rich history of athletic success at our high school and are very proud of this distinction. Our goal is to maintain this excellence and all athletes are expected to abide by the rules and regulations

established by the athletic department. The program of interscholastic athletics includes football, cross-country, basketball, wrestling, track and field, golf, tennis, baseball, soccer, swimming, volleyball, softball, bowling and cheerleading. Any student who maintains eligibility by the Illinois High School Association is welcome to participate.

Participants on the fall Cheerleading and Dance Teams will receive a letter for participation in that school activity. Participants on the winter Cheerleading and Dance Teams will receive a letter for participating in a competitive sport for the purposes of earning recognition as a 3 sport athlete.

DUAL SPORT ATHLETES

Any athlete wishing to participate in two sports during the same season must have the written approval of both coaches. The dual sport athlete form must be completed and a primary sport chosen.

GOING OUT FOR/CHANGING SPORTS

All returning students will have no more than **one week** to go out for a sport from the beginning of that season's start date. If he/she chooses not to try out in that time frame, participation will not be allowed for that season. Students who begin participating in one sport will not be allowed to change to a different sport after attending tryouts, practice, or games unless he/she was "cut" from the first sport.

Freshmen and first-year CHS students will have one week from the start date of that season (or first day of student attendance in the Fall semester) to go out for a sport. This is the same period that will be allowed for first-year students to change sports.

This policy does not overrule a coach who will not allow a student to try out who has not been participating from the first day of the season.

If a student is ineligible at the beginning of a season, the coach may use his/her own discretion as to whether that student may participate after becoming eligible.
